

A NEW GENERATION OF COATING SYSTEMS

“

I am extremely impressed with GarageFloorCoating.com. From my first meeting with the estimator I knew this would be the company I would use. He was very professional, informative and in no way too pushy. He worked with me to get exactly what I wanted for my garage floor coating. The office called several times and was very helpful in informing me of the process before and after, building my confidence.

DAVID S.

Upgrade your garage to the durability and beauty of mica media. Side effects may include jealous neighbors, compliments and happiness.

Bring in a touch of nature and take your drab flooring from ordinary to extraordinary. Mica, a natural mineral flake that provides a subtle metallic luster, provides your floor coating with a unique texture, pattern and quality. Available in a multitude of colors and opacities, our Bagari Stone Effects flooring system is as aesthetically stunning as it is functional.

BENEFITS

- Protects any surface
- Ultra low VOCs
- Reflective properties
- Eco friendly system
- Easy to clean

DURABILITY

- Extreme solvent resistance
- Extreme abrasion resistance
- UV stable
- Molecular bond
- Impermeable
